

Call for Papers

The forthcoming issue of *Kalash*(vol. 23-24) is going to be published soon. Papers are invited from authors for submission on or before **15th December 2018**. Submitted papers are going to be peer-reviewed and concerned authors will be intimated about the acceptance or rejection by 05th January 2019. The theme of the upcoming issue is the **'Impact of nationalism on various aspects of art and architectural studies in India'**. However original researches on art and architecture of South and South-East Asia (in connection with India) are also welcome. The style sheet for manuscript preparation is available at the following link:
